

Marvel has announced that a new programming block called Marvel Universe will be launched on Disney XD April 1st, later this year. Among the programs that will be aired are Ultimate Spider-Man (which will make its series premiere in April) and Avengers: Earth's Mightiest Heroes (which will be returning for its second season). The Marvel website describes the program as the ultimate place for fans to find exclusive Marvel content, including animated shorts and live action interstitials. Below are the details in full... Disney XD will launch Marvel Universe, a dedicated Marvel programming block, with the new series "Ultimate Spider-Man" as its centerpiece, on Sunday, April 1, it was announced today by Gary Marsh, President and Chief Creative Officer, Disney Channels Worldwide at the Television Critics Association Press Tour in Pasadena, California. Marvel Universe on Disney XD will be the ultimate place for fans to find exclusive Marvel content, including new animated
