

This April, the biggest names in the industry pit the largest super hero franchises against one another for the biggest war in comics history in Avengers Vs. X-Men! To celebrate this blockbuster event, Marvel has your first look at the Avengers Vs. X-Men #1 Stegman Variant by red-hot artist Ryan Stegman! The Phoenix Force is headed towards Earth and Captain America is determined to prevent the destruction of the whole world by stopping it. But when word gets to the X-Men that the Phoenix is returning, Cyclops will do anything he can to save it...including going up against Earth's Mightiest! But who is right? Will mutantkind be saved or will the world be annihilated? Don't miss out on all the action in Avengers Vs. X-Men #1 in comic shops worldwide and on the Marvel Comics app this April!
