

During an IMAX screening of Skyfall earlier today, a trailer was shown for Iron Man 3. Yes, it looked incredible on the big screen, but that's not the point! You see, it confirmed something long suspected by UK fans. Once again, they won't have to wait until the US release date to see the latest Marvel Studios movie! While American prints of the trailer have the "Next Summer" and "May 3, 2013" tags on them, the UK version has "Next April" and "April 2013". It seems like a safe bet at this point that British fans will be able to see the threequel on April 26th - the same date that The Avengers was released. Stay tuned for further details! Marvel Studios' Iron Man 3 pits brash-but-brilliant industrialist Tony Stark/Iron Man against an enemy whose reach knows no bounds. When Stark finds his personal world destroyed at his enemy's hands, he embarks
