

From a Live Chat moderate by Ryan Penagos, Editorial Director of Marvel.com (Agent M) and Assistant Editor Ben J Morse (UltimateKidNova). They transcribed their conversation with Brian Michael Bendis, because let's face it, BMD is breathing the "rarified air", and is too big to have direct contact with. UltimateKidNova: "Something very cool happens with AIM that gives Norman the opportunity to put together a new Dark Avengers. Some new, some old, some reinvented. There will be a Thor, a Hulk, a Spider-Man, a Hawkeye, and some scary technological stuff beyond even Tony Stark." -Brian Bendis UltimateKidNova: Madame Hydra, Gorgon and more will be working for Norman Osborn. UltimateKidNova: "Not everybody is going to be available for the roster following Fear Itself, particularly in the Avengers book. Two new team members will be classic Avengers, one will be a relatively new character." -Brian Bendis UltimateKidNova: The New Avengers will be dealing
