

Source: Marvel Over at the official website for Marvel Studios' Avengers, each character has a bio as part of the site's slick new design. There's isn't any new information there except for when you read Loki's bio. This isn't a huge revelation by any stretch of the imagination but I believe it does merit some attention. BIO: "After his bid to overthrow the throne of Asgard was thwarted by his brother Thor (Chris Hemsworth), the evil Loki (Tom Hiddleston) retreated to lands unknown to plot his revenge. Not just against his brother, but against Earth, whose inhabitants Thor now protects. Loki, now returns with a nefarious plot to conquer Earth and will stop at nothing to see his vision realized. When his misuse of power threatens the entire planet, it may take more than The Avengers to stop him." What could this cryptic line possibly be referring to?
