

In addition to launching an official site, Marvel has just released a preview trailer for the ultimate 10-disk Marvel Cinematic Universe - Phase One: Avengers Assembled Blu-ray collection box set. Looking back at the five films that led to the box office sensation *The Avengers*, which is also included, check out the preview below! This 10-disc, six-movie collection brings together "Marvel's *The Avengers*" and the five films leading up to this year's blockbuster super hero flick, "*Iron Man*," "*Iron Man 2*," "*The Incredible Hulk*," "*Captain America: The First Avenger*," and "*Thor*!" Also included is a bonus disc, "*The Phase One Archives*," and more!
