

Just days prior to yesterday's reveal that Mary Elizabeth Winstead is back on Marvel's radar for the female lead in Captain America: The Winter Soldier, the actress was questioned about a past Marvel role she was reportedly vying for. While Marvel's The Avengers' cinematic debut of Maria Hill was portrayed by Cobie Smulders, Winstead was actually among actresses on a shortlist for the role last year. And during a Q&A earlier this week with MovieLine about her recent comedy-drama Smashed, Mary Elizabeth Winstead was asked precisely about the many blockbusters she has passed on, namely The Avengers, and if she has any desires to be a "blockbuster star." "Yeah, I mean, it's funny, because some of those roles — well, the majority of them, I was just plain passed over for them [Laughs] — but some of them I actually chose not to do as well because I don't really just want
