

Hunting with your brother is one thing, hunting with your mother... now, that's an entirely different animal, especially when she's one of the best in the game. Last year's season finale saw Dean finally reunited with his long-dead mother Mary and now, before the pair can catch up even a bit, they must race against the clock to find Sam, who's been kidnapped by a mysterious third party. The CW released this kickass new trailer with lots of new footage from the upcoming year, including Mary meeting Castiel, Rick Springfield as Lucifer, Mary reacquainting herself with Baby, and a lot more. Check it out below: **MAMA WINCHESTER IS BACK** — Dean (Jensen Ackles) is overwhelmed as he comes face to face with his mom, Mary Winchester (guest star Samantha Smith). Meanwhile, Sam (Jared Padalecki) is fighting for his life after Toni, from the Woman of Letters, shot him. Phil Sgriccia directed the episode written by Andrew Dabb (#1201). Plus, here's the plot synopsis &
