

On What He Knew About The Character Before Being Cast: You know, I knew of The Green Lantern. I wasn't versed in it, you know, like Geoff Johns or anyone like that. I just, I mean, I knew he was an ordinary guy who was bequeathed a ring by a dying alien. It, you know, shot lasers out of it or something like that, so, beyond that, I wasn't that familiar with it, so I think I was most startled to find out how vast the universe is. I mean, that it really does -- you know, I know Geoff Johns likened it to the Star Wars of the DC Universe, and it really does feel like that. I mean, the scope is the thing that blew my mind. I couldn't believe it when I made that discovery, and I met Martin like I was meeting on any other movie. On The Movie
