

While we await the first official trailer for Nikolaj Arcel's big screen adaptation of The Dark Tower, Sony Pictures has revealed the following promo poster featuring The Gunslinger Roland Deschain (Idris Elba) and Jake Chambers (Tom Taylor), along with an oft repeated greeting from Stephen King's source novels, "may your days be long upon the earth." Also starring Jackie Earle Haley, Fran Kranz, Kathryn Winnick, and Abby Lee (among others), The Dark Tower is currently set to be released on July 28, 2017.
