

Following the slew of promotional photos, new licensing merchandise for Sony's Marc Webb-directed "untold Story" of The Amazing Spider-Man has been outed. Courtesy of Bleeding Cool, newly-revealed box art depicts Mega Bloks' building blocks based on key scenes of the much-anticipated reboot. Check out the photos below! The last box art photo may confirm a long-timed rumor of something big occurring during the climatic battle. For those who don't know, and would like to, the rumor suggested that: (highlight to read) One action set-piece towards the end of the film sees the Lizard transform a whole Swat team into scaly mutants that look like him. Then there's a huge battle. Some of the scene is based upon the famous issue of the comic in which Gwen Stacy died. Like most teenagers his age, Peter is trying to figure out who he is and how he got to be the person he is today. In
