

As you can see in the video above the monowheels are underneath the automobile, but in the illustration below it was designed to unfold from a case. I wish they had went with the original design. As you can see in the clip only one monowheel is stored in the hidden compartment, yet a second one magically appears. In Men in Black™ 3, Agents J (Will Smith) and K (Tommy Lee Jones) are back... in time. J has seen some inexplicable things in his 15 years with the Men in Black, but nothing, not even aliens, perplexes him as much as his wry, reticent partner. But when K's life and the fate of the planet are put at stake, Agent J will have to travel back in time to put things right. J discovers that there are secrets to the universe that K never told him -- secrets that will reveal themselves
