

I was really looking forward to this movie, until Michael Bay had to open his big dumb yap. Just...just take a look below. The following video is Michael Bay talking at the 2012 Nickelodeon Upfront on March 14, 2012 at Lincoln Center in New York. Michael Bay talks Teenage Mutant Ninja Turtles by stuffwelike So what do you thi---wait...what?? "When you see this movie, kids will believe one day that these turtles do exist, when we're done with this movie. These turtles are from an alien race, and they're going to be tough, edgy, funny, and completely lovable." - Michael Bay Um, ok...well let me know what you think about this below. ~ Gobbie, Out! ~
