

El Mayimbe Latino-Review's El Mayimbe broke the story about Guardians of the Galaxy being Marvel's 2014 mystery film, and now he has some info on Michael Bay's version of the Teenage Mutant Ninja Turtles. For some reason this information went under the radar, but in June El Mayimbe let it be known that he was reading the script (The Blue Door) written by Josh Appelbaum and Andre Nemec. Skimming through Turtles, I see KRANG and THE TECHNODROME RT— elmayimbe (@elmayimbe) June 18, 2012 Krang - Prior to the start of the 1987 Teenage Mutant Ninja Turtles cartoon, Krang was in command of an army of Rock Soldiers under the leadership of General Traag, and took the completed Technodrome, a powerful mobile battle fortress, and banished Von Drakus who helped Krang build it to Earth. When he was banished from Dimension X, Krang was stripped of his body and reduced to a brain-like
