

Michael Papajohn is a famous actor/stuntman from dozens of hit films and CBMs like Spawn, Hulk, Jonah Hex (and who recently appeared in Thor). However, he is most known for his role as The Burglar/Dennis Carradine, the man responsible for the murder of Uncle Ben, in Sam Raimi's Spider-Man and Spider-Man 3. Mr. Papajohn and myself follow each other on Twitter. On August 17 last year, I (under my former username of Art1991) asked him if given the opportunity, would he appear in the (then unnamed) Spider-Man reboot. He replied: Last night, this status appeared on his Twitter feed: Intrigued at this, I asked if we could expect a return of Dennis Carradine? He wrote back: This is enormously interesting if Papajohn indeed was working on The Amazing Spider-Man, making him the only person outside of Laura Ziskin and Avi Arad to be involved after the first three films. Now obviously this is open to speculation.
