

Recently, it was confirmed that DC Comics villain Deadshot (best known for fighting Batman in the DC universe) will be taking on Oliver Queen in episode three of The CW's Arrow, a television series based on the Green Arrow character. Now, TV Guide has learned that Canadian actor Michael Rowe has been cast as the character, who will be making his debut on the show in "The Lone Gunman". Deadshot is the third villain confirmed to make an appearance; Deathstroke's mask was spotted in the pilot, and China White (played by X2's Kelly Hu) will be featured in the second episode. "Deadshot doesn't speak much, so he has to have that physicality," says executive producer Marc Guggenheim on Deadshot. "And Michael certainly has that. He has that look." Greg Berlanti and Andrew Kreisberg both agree that the Emerald Archer will likely meet Deadshot again at some point later on in
