

Warner Bros. announced last weekend that actor Michael Shannon is set portray General Zod in the Zack Snyder-directed Superman reboot, tentatively titled Man Of Steel. And today, in a video interview via Sheppasm, Shannon reflected on the process of joining the developing cast, meeting Snyder & the star Henry Cavill. Watch the video below. Star-studded so far, Superman: Man Of Steel stars Henry Cavill, Amy Adams, Diane Lane, Kevin Costner and Michael Shannon, slated for theaters December 2012
