

Speaking to MTV at the Independent Spirit Awards, Michael Shannon starts off the brief interview very jokingly but gets much more serious at the end. While it's questionable whether or not what Shannon utters is an actual phrase from the movie you can tell by the transformation of his features that he definitely put on the Zod persona for a few seconds. Check it out. Get More: Movie Trailers, Movies Blog

Man of Steel is an upcoming superhero film under the development of Zack Snyder, Christopher Nolan, and David S. Goyer. Based on the DC Comics character Superman, the film will be a reboot of the Superman film series. Using Chicago and Vancouver as a backdrop, with production to be based in west suburban Plano, Illinois, the film entered principal photography in August 2011, for a planned theatrical release on June 14, 2013 by Warner Bros., which also includes IMAX venues

Running
