

It was announced today by Activision that gamers will be able to use the Miles Morales Ultimate Spider-Man costume in the new Spider-Man: Edge of Time game. Spider-Man: Edge of Time is a focused, action-packed adventure set in two connected and evolving timelines, from the contemporary times of the Amazing Spider-Man to the corrupted future world of Spider-Man 2099, against the backdrop of a rich, tightly crafted narrative by acclaimed Marvel veteran Peter David (co-creator of the comic book series "Spider-Man 2099"). The game features all-new "cause-and-effect" gameplay, where players will see how the immediate and sometimes unexpected effects of their actions as one Spider-Man changes the timeline of the other Spider-Man. The game hit the stores on October 4th!
