

As today's filming concludes, Cleveland onlookers from The Avengers' set are uploading their captured footage; essentially featuring both Thor and Captain America, Chris Hemsworth & Chris Evans. While the latest vids aren't much, they do depict a somewhat expanded scene of the two gazing up, Thor's hammer-work, and Capt.'s stunt-double doing what he does best. Also, like a fellow SHH forum user Alexlachiusa suggests, notice the blue stains on both of the heroes' attie in the following set photo. It's possible these stains could be the aliens' blood. What do you think? Anyhow, look for official announcements tomorrow regarding The Avengers, at Disney's D23 Expo; including a new trailer. However, there we have yet to receive clarification if it'll appear online. But anyhow, we'll surely have descriptions. Marvel's The Avengers picks up when an unexpected enemy emerges
