

SuperHeroHype have posted some more detailed information about the Captain America: The First Avenger and Thor footage that was shown at CinemaCon yesterday, but perhaps most interesting was what they revealed about Jeremy Renner's cameo as Hawkeye. It's also interesting to note that Marvel Studios are continuing to hint at Wakanda, perhaps making a solo Black Panther movie all the more likely! To read the full report, head on over to the site by clicking the link below. Jeremy Renner DOES appear in Thor, not in costume as Hawkeye, but as a S.H.I.E.L.D. agent with a bow and arrow working for Clark Gregg's Agent Coulsen. Coulsen looks on and orders a special agent into a crane high above the scene where it's revealed to be Renner, and he pulls out his bow and arrow and takes aim waiting for Coulsen's orders. It's not like he walks on screen and someone says, "Thor, meet Clint
