

The producers have come up with the novel idea of letting attendees email them with suggestions as to which CBM should be screened at the show. Last year, they unveiled Super starring Rain Wilson, months before it was released. Fans can send an e-mail with their suggestions to movie@kapowcomicconvention.com. Talking to CBR, Mark Millar also revealed the following: Thor and Loki made a big impression last year and the studios were really pleased with the response. We've had lots of offers to preview or even screen entire movies, but obviously the con is only on for two days and we have a full line-up as is. We can preview two movies and screen one in total. We're keen to hear from readers what they suggest. We're going to have the cast of an upcoming comic-book movie live on stage. You'll hear what this in the next few weeks and this is one of
