

While speaking with MTV News, actor Alexis Denisof once again elaborated on his role in Marvel's The Avengers movie. Credited as “The Other,” leader of the Chitauri, Denisof recalled going through hours of prosthetics and precisely how longtime friend & collaborator Joss Whedon unusually approached him for the role. “Normally if something is on [Joss Whedon's] mind he'll call me about it. And of course I'm always excited. It wouldn't matter what he was doing, I would want to be part of it.” Recalling how different things were this time, “I received from my agent a single page with some lines that made absolutely no sense to me, and a character called Man #2 (AKA Thanos played by Damion Poitier),” he continues. “And I was like, ‘What the eff is this?’ They sent all this legal stuff I had to sign about not saying anything to anyone.” After auditioning and
