

Talking to The Times Of India, Andrew Garfield has once again opened up about his role as the iconic Marvel superhero in Marc Webb's The Amazing Spider-Man. Apologies for the odd spelling mistake and lack of hyphen in "Spider-Man", but the answers below are how they were presented at the source. For more from the actor, be sure to click on the link below to head on over to the site. On Which Aspect Of Peter Parker's Personality He Most Identified With: I have tried to explore Peter Parker as an orphan. Orphans, I feel, are the strongest human beings on the planet. The amount of things they have to deal with in their lives, is amazing. I have tried to capture how Peter copes with the feelings of being an underdog, his confusions and his self-doubt . This, I hope, has brought, a certain empathy and sensitivity to his character that explains
