Movie Trailers - Movies Blog MTV News didnt have a transcript with the interview, so just in case you're unable to view this video, here is my own quick version of what the actor had to say when quizzed about The Avengers at the 2011 Sundance Film Festival. On Whether He's Got To Know His Fellow Avengers Any Better Since Comic Con: "We all met at Comic Con and had very brief, sort of in amongst the madness, introductions and then since then I saw Chris Evans at the Globes, and Robert Downey Jr, and we had a brief chat about it but we're yet to sit down as a group." On What He Thought About The Script For The Avengers: "I saw a very early draft and it's incredible." On What To Expect From The Movie And How It Will Live Up To Fan Expectations: "Everything about the story and comic books is huge. You have
