

Recently I posted an article featuring Clark Gregg coming up with some fairly comedic fake spoilers for the Avengers movie. Now on ABC, Gregg has to play it a little more straight-and-arrow> Also, the newscaster is hilarious to me, he's really trying hard to get a scoop here. I have to say that I like Agent Coulson just a little bit more, every time I see him . Sure hope Whedon doesn't kill him. Also, [once again]check out this article from CNN featuring our fearless leader Jim Littler, discussing Agent Coulson and The Avengers! video platformvideo managementvideo solutionsvideo player The Avengers is a team of superheroes, appearing in magazines published by Marvel Comics. The team made its debut in The Avengers #1 (Sept. 1963), and was created by writer-editor Stan Lee and artist / co-plotter Jack Kirby, following the trend of super-hero teams after the success of DC
