Movie Trailers - Movies Blog "It's a prequel," Lawrence told MTV News in a recent interview. "It's set in the 1960s, it's with James McAvoy and Michael Fassbender, some of my favorite actors. I love those guys!" "I mean, what else do you want to know," she said when quizzed about whether Mystique gets up to any of her infamous comic book antics. "I don't know if I'm allowed to say!" "Yeah, it would be great to get back with the same people, because I love the cast," the actress added when asked about whether she'd consider returning for a sequel. "The paint, I'm going to need a little bit of time before I'll miss it. But the cast, definitely." X-Men: First Class is set to be released on June 3, later this year!
