For a lot more on Captain America: The First Avenger, be sure to pick up the latest issue of Empire Magazine which hits stores today! Kevin Feige On Making Sure The Costume Was Realistic: "That's a danger on every movie. Any of these characters can easily - easily, easily - look cheesy. If you pull the camera too wide and you hold for a beat too long, you've got a guy in a costume that looks silly. It's a challenge, whether it's an Asgardian or a super soldier or an iron suit, to make them look cool." Kevin Feige On Getting The Movie Made, And The Title Change In Certain Countries: "Frankly, the world in 2001, 2002, '3, '4, '5, '6 was quite an exciting place, geo-politically speaking, and we did talk about it. What would happen if we made Captain America today? Would it be accepted? Now is as good a time as any,
