

* Smallville battle scenes! * A possible Funeral! * And... Birthday cake! Set crew workers (painters, construction workers, etc) were absolutely EVERYwhere. Security personnel were many, yellow-shirted, and very tight-lipped. They did not overtly discourage any photos, but they did their best to block good shots with screens, trucks, and other impediments. A few hardworking set crew members were helpful & forthcoming with information, and several local residents were happy to tell about their brushes with Hollywood. So, I WAS able to get the following news from the set and from other sources... !!! WARNING !!! !!! SPOILERS !!! !!! LOTS OF SPOILERS !!! Downtown Smallville WILL be in the heat of battle! Crews will be shooting a scene during the early part of the week of August 22-29, 2011 where they will be blowing up a 7-11/gas station. They will also be
