A couple of noteworthy things here. Firstly, you'll notice our first half decent look at the spider symbol on the back of the costume. Secondly, it's easy to see in the second photo that the lenses in the mask are actually clear, despite having a seemingly silver appearance in other recent photos. Could this be another new feature, for the benefit of the stuntman or because it's actually the wrestling suit as I talked about in my recent editorial: [Is The New Spider-Man Costume Just His Wrestling Outfit?](#). Be sure to share your thoughts in the usual place! The currently untitled Spider-Man reboot is set to be released in 3D on July 3, 2012!
