

At the American Film Market, Shock Til You Drop found a one-page summary of the plot for next year's upcoming reboot of The Texas Chainsaw Massacre, which will supposedly be a direct sequel to the original film. The site sums up the plot below, saying that they don't want to give everything away (as the sheet they found was set up like a sort of script treatment. Obviously, there will be some SPOILERS in the following synopsis, so if you don't want to be spoiled before watching the film, then don't bother reading. Twenty years ago, the town of Newt, Texas exacted vengeance on the Sawyer family for their role in assisting and concealing murders committed by the chainsaw-wielding maniac Jeb Sawyer, aka "Leatherface." The entire family was presume killed when Burt Hartman led the townspeople to burn down their farm house, but the Sawyer infant survived and was secretly taken
