

Information Courtesy of TCCB Batman vs. Bane: Opens with Stock Market Exchange, Bane is disguised as a janitor with his mask on, Henchmen are shoe shiners, Bane removes his disguise and orders everyone down, He has a bag with hacking equipment in it, gains access to all of the accounts in Gotham robbing all of the wealthy of their resources. Meanwhile, a bank employee hits a panic button alerting both GCPD and The Batcave (it should be noted in the drawing The Bat Pod and The Bat were already in the Cave at this point and Bruce was looking at a microscope with Alfred beside him, when they receive the alarm Alfred hands Bruce the EMP gun and says "you might be needing this) Bane says something along the lines of "Once the wealthy are robbed of their power noone in Gotham can stop me" After he downloads all of the accounts, he
