While at a Television Critics Association Winter Press Tour party, Collider caught up with Morena Baccarin and got her thoughts on working with Jane Balder, her Stint on Joss Whedon's Firefly and Ana's character development on the new season of V. On working with Jane Balder What has it been like to work with Jane Badler this season? BACCARIN: She's really awesome. We went out a few times in Vancouver together. She's really sweet. We had dinner and hung out. I met her husband, who's really awesome. It's been fun to have her around. How much more head-to-head will their relationship get? BACCARIN: It gets pretty intense. Even lizards get annoyed by their moms. She does a really good job of pushing my buttons. We have an intense relationship and it gets pretty fueled up. At the end, in the season finale, they really go head-to-head. When did you know that she would be playing your mother? BACCARIN:
