

Many thanks to "SmokeySify" over at the Nolan Fans forums for the following set footage and scene description. You really have to squint your eyes and take a close look at the footage in full screen size to make out what's going on, but this is a great set video, and it features what is quite clearly an embrace between the two before Batman heads off in the Batwing. Whether you can also spot Gary Oldman's Commissioner Gordon on set is another thing altogether, but check it out below, and be sure to share your thoughts in the usual place! eaked video from showing Batman and Catwoman in action following the chase and crashing of the HEMTT. Gordon *may* also appear in this shot. Batman walks to the HEMTT and hooks the winch from the batwing to something in the back of the smoking HEMTT while Catwoman watches, dunno how she got
