Thanks to our good friend ReallronMan of SpiderMedia, CBM is proud to present the following excerpts from an upcoming issue of SFX Magazine, revealed here online exclusively for the first time. Thanks also to CBM's own Wolvie09 for allowing me to share this interview with the beautiful love interest of Thor, Natalie Portman. On The Relationship Between Thor And Jane Foster: "Well, Thor is exiled to Earth to learn humility and earn his right to be a leader. And I think Jane is definitely part of what grounds him on Earth. That's something Ken (Branagh) is always saying, about making sure my feet were on the ground all the time." On How Thor Compares To The Other Big Movies She's Starred In: "It was amazing. The experience working with Ken made it very different, because he pays so much attention to character. It feels like you're making a small character piece, even though there
