

Via IGN.com Castle (Nathan Fillion) and Beckett (Stana Katic) have dealt with a lot of different criminals through the years, but on this Monday's episode, they have a very unique threat to face: a superhero! The episode involves Castle and Beckett investigating the murder of an ex-con, which leads to a bona fide costumed vigilante - one who may be a real life superhero. IGN has an exclusive promo video for the episode, which features a special comic book visual touch. Check it out below! More Castle Videos This episode, "Heroes and Villains" will also feature a tie-in with the Castle comic book coming next week from Marvel, written by Brian Michael Bendis. Here's another promo: Castle: "Heroes and Villains" airs Monday, September 26th at 10:00pm on ABC.
