

Talking to wetpaint, Nestor Carbonell (who plays Mayor Anthony Garcia in The Dark Knight Rises) has talked a little more about his role in the highly anticipated movie, once again promising that we have a lot to look forward to! If you're interested in reading a lot more about his role in Ringer, be sure to click on the link below to read the interview in full. "I finished my part in it and I had a great time. I just went back to that set and it felt like we never left. It was really cool. We had much of the same crew and a lot of the cast. It was great to be back in London. I spent about a week there and then we worked in Pittsburgh as well, which was a blast." "It was just great to reconnect with Chris Nolan and to be part of what appears to
