

A few days ago we heard that a new 6-minute sneak peek of The Amazing Spider-Man might be on its way, but this was dismissed as a mistake as it was so soon after the 4-minute one had debuted. Well, turns out it was on the level as the official Facebook page for the movie has just announced the following.. See an exclusive 6-minute sneak peek of The Amazing Spider-Man when you experience Men In Black in IMAX 3D starting Thursday at Midnight! So, some incentive to get out there and catch those early IMAX screenings of Men In Black 3. The first 4-minute preview had a great opening scene, but turned out to be mostly previously seen footage. Hopefully this longer one will give us more new Spidey goodness.
