

It's Bane. He may have cheated a little, but he managed to do what so many villains tried so very hard to do for oh-so-very long: He trounced good sir Batman. So, I guess that means...we glorify the guy with a bunch of nifty-keen, 100% Cotton t-shirts! Look! We got Bane jumping down from somewhere! Angrily! Look! We got Bane and Batman ready to kick the living crap out of each other! You damn well know Batman's got some freaky martial arts technique he's been saving up for this particular grudge match. He's gonna' employ the....the Red Lion-Flower Technique....or something. And we got Batman and Bane! Together! Unless one is sneaking up on the the other. Not really sure about the state of the relationship here. Anyway, you can check out all our cool new designs on our Bane shirts page.
