

Marvel's Doctor Strange is now officially out on Digital HD platforms worldwide and along with the movie comes a whole new batch of amazing special features, including an exclusive sneak peek at Phase 3 - which consists of Guardians of the Galaxy Vol. 2, Thor: Ragnarok, Black Panther, and Avengers: Infinity War. The full preview hasn't made its way online just yet, but a couple eager fans have already gone ahead and posted screenshots of some of the concept art that was featured, providing us with amazing new looks at both Taika Waititi's Thor: Ragnarok and Ryan Coogler's Black Panther. With Black Panther only kicking off production a few short weeks ago, it's not surprising that the art Marvel provides isn't all that revealing, but they still give us a pretty solid walkthrough of the Wakandan streets and possibly previews a few of the locations we may or may not see come next February. Check it out below:

"Black Panther" follows T'Challa who, after the
