

Thanks to the people over at UGO, we have another behind the scenes clip from the blu-ray release of Captain America: The First Avenger. This clip gives us and really in depth look at creating the look and feel of HYDRA. Including what type of actors they looked for, the design of the suits, and the look of their weapons. More IGN Videos Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. Captain America: The First Avenger will be released on blu-ray and DVD on October 25, 2011.
