

As you can see, each photo comes with details on both what is going on at the time they were taken, as well as for the season itself, so if you're dying to know more then read on and be sure to head on over to The Hollywood Reporter where you'll find many, many more revealing details and pictures. Many thanks to photographer David Strick for getting in touch and giving us a heads up about the gallery. Extras stumble and lurch through a zombie-walking scene during production in Atlanta. The series, based on the best-selling comic book series by Robert Kirkman, won an Emmy this year for outstanding prosthetic makeup for a series, miniseries, movie or special. SFX makeup artist and consulting producer Greg Nicotero took home the statuette for his work on the zombie drama -- and was upped to co-executive producer in September. A zombie extra has her teeth detailed
