

EDITOR'S NOTE: CBM Book Club is a new feature we're rolling out where we bring the users into a Live Chat to discuss a specific topic of choice. You the reader will be able to vote and decide what the topic of discussion will be. And it won't be just limited to books, we'll tackle DVD's, new movie releases, and much more. Here's to a successful launch and the first of many more CBM Book Club Live Events to come! It's my esteemed pleasure to roll out this brand new idea to the site, known as CBM Book Club! We want to bring you guys together and focus on a particular topic and generate some active discussion in a live setting and I'm hoping that this is the vehicle to do it. As always, you (the viewers) will dictate what happens around here. While the Editors will
