

Griff, a shy and awkward office worker by day, finds escape from his ordinary life by assuming the identity of a fantastic superhero each night. Griff's secret is jeopardized when he meets Melody, a cute but unconventional daydreamer. She quickly becomes fascinated by his idiosyncrasies, which are equal only to her own. In the face of mounting pressure to live in the "real world," it's up to Melody to rescue Griff for the sake of herself, Griff and their new found love for each other. Griff The Invisible hits theaters on August 19, 2011.
