

The Hunger Games is just two weeks away from release, and based on trending figures is expected to open bigger than Twilight. The author of the incredibly popular novels, Suzanne Collins, has seen the movie and was very impressed. Will it deliver on its potential? Watch this new 45 second clip and see what you think.. “In a not-too-distant future, the United States of America has collapsed, weakened by drought, fire, famine, and war, to be replaced by Panem, a country divided into the Capitol and 12 districts. Each year, two young representatives from each district are selected by lottery to participate in The Hunger Games. Part entertainment, part brutal intimidation of the subjugated districts, the televised games are broadcasted throughout Panem as the 24 participants are forced to eliminate their competitors, literally, with all citizens required to watch. When 16-year-old Katniss’ young sister, Prim, is selected as the mining district’s female
