

Unless we get a major surprise in the next few weeks, Marvel Studios isn't expected to debut the first teaser trailer for Taika Waititi's Thor: Ragnarok until at least mid-April with the arrival of James Gunn's Guardians of the Galaxy Vol. 2, so until then these new pieces of concept art will have to hold you over. The amazing new art comes to us from the epic Phase 3 sneak peek, that was included on the Digital HD release of Scott Derrickson's Doctor Strange (which is available worldwide NOW), and is arguably the most revealing thing we've seen from the movie so far as we catch our first real look at Cate Blanchett as the villainous Hela. The artwork also teases a sure-to-be epic battle between the God of Thunder and Mark Ruffalo's Incredible Hulk.

Check out the new art below: In Marvel Studios' "Thor: Ragnarok," Thor is imprisoned on the other side of the universe without his mighty hammer and finds himself in a
