

They are many essential features of Marvel's superhero extravaganza movie The Avengers that have yet to be revealed. While the particularly obvious ones include the mystery alien invaders and a full live-action shot of Mark Ruffalo's Incredible Hulk, one feature, that we've only seen the inside, is the capital ship of the Nick Fury-directed defense agency S.H.I.E.L.D.; the helicarrier. Although not in live-action, below you can see conceptual final renderings of the humongous aircraft carrier, via SuperHeroHype forum user Deckard.
