Not too long ago, Jon Fareau, via his Twitter page, said that there will be a new trailer for Cowboys & Aliens during this year's Super Bowl. Yes. We're cutting it now. RT @*****: superbowl trailer for Cowboys & Aliens? The Super Bowl, which airs on February 6th, is known for showing new and anticipated trailers for upcoming movies. Looks like this year is no different. Hopefully, we can get some Cap action, but with the recent news that Ror reported, that may not happen. Cowboys & Aliens stars Daniel Craig, Harrison Ford, Olivia Wilde, Sam Rockwell, and Clancy Brown. It is scheduled for a July 2011 release. In the mean time, here's another look at Daniel Craig's butt in leather.
