

Hey Boys & Girls, A third TV spot for Jon Favreau's Cowboys & Aliens is now online. Check it out below! In 1873 Arizona, a loner named Jake Lonergan (Daniel Craig) awakens with no memory of his past and a mysterious shackle around his wrist. He enters the town of Absolution where he learns that he is a notorious criminal wanted by many people, including Colonel Dolarhyde (Harrison Ford), who rules the town with an iron fist. But Absolution soon faces an even greater threat when alien spaceships attack the town. While his shackle holds the key to defeating the aliens, Lonergan must ally with Dolarhyde and other former enemies to make a stand against them. Cowboys & Aliens will hit cinemas July 29, 2011.
