

Below, we have a couple of different photos from two anticipated action films. First up, a cool new still image of Jamie Foxx (Ray) as the titular character in Quentin Tarantino's highly anticipated Western movie Django Unchained, which also stars Christoph Waltz (Inglorious Bastards), Leonardo DiCaprio (Inception) and Samuel L. Jackson (Marvel's The Avengers). The film will be released in theaters this Christmas. Below is the official plot synopsis: Set in the South two years before the Civil War, "Django Unchained" stars Academy Award®-winner Jamie Foxx as Django, a slave whose brutal history with his former owners lands him face-to-face with German-born bounty hunter Dr. King Schultz (Academy Award®-winner Christoph Waltz). Schultz is on the trail of the murderous Brittle brothers, and only Django can lead him to his bounty. The unorthodox Schultz acquires Django with a promise to free him upon the capture of the Brittles – dead or alive. Success
